

(Principles of
Healthy Child
Development)

PHCD

TRAINING IS AVAILABLE IN YOUR AREA

What is it?

A one-day training that teaches front-line leaders how to enhance the quality of the programs they are delivering. It provides in-depth knowledge of the HIGH FIVE® Principles of healthy child development so front-line leaders understand what they need to do to ensure each child's social, emotional and cognitive needs are met.

Who is it for?

Front-line leaders or anyone working with children aged 6 to 12 in a sport and recreation environment (i.e. instructor, camp counsellor).

Why does it matter?

Leaders have a major impact on a child's sport and recreation experience. The training is based in research and has been designed to equip leaders with activities, knowledge, tips and resources to enhance their programs as well as their relationships with children and other staff members.

Training Details

Saturday June 10, 2017 9:00am—4:30pm
