

East Service Road from Diefenbaker Drive to Thatcher Drive East Paving Project Begins August 3

July 20, 2021

MOOSE JAW – The City of Moose Jaw advises that a paving project on **East Service Road** will begin on **Tuesday, August 3, 2021**.

Crews will pave the road of **East Service Road from Diefenbaker Drive to Thatcher Drive East** excluding the **Diefenbaker Drive** intersection and including partial intersection of **Thatcher Drive East**.

The construction area will be closed to traffic while paving occurs and the project is expected to be completed by 10:00 p.m. **Tuesday, August 10, 2021**, weather permitting.

The contractor will provide limited access for local traffic to all the businesses during the weekdays. All businesses will remain open.

The City asks all drivers to obey signage and exercise caution in construction zones for the safety of everyone.
