INSTRUCTIONS TO PROPONENTS

INTRODUCTION

1. The City of Moose Jaw ("Moose Jaw") is inviting proposals from qualified engineering firms to provide Project Management, Communication to the Public and Stakeholders, Performance and Reporting of Slope Monitoring Risk Control Activities along with Recommendations, Cost Estimates, and Feasibility for Remediation of High Risk and Urgent geohazard locations (the "Services").
2. The purpose of this Request for Proposals ("RFP") process is to select a qualified engineering firm to enter into a Services Agreement with Moose Jaw for the performance of the Services. Further details about the Services required by Moose Jaw are set out in Schedule "A" – Services Requirements.
3. **This RFP is not a tender and is not subject to the laws of competitive bidding. No bid contract or agreement is created by the submission of a proposal.**

RFP DOCUMENTS

4. The following documents are attached to and form part of this RFP:
 - Schedule "A" – Services Requirements
 - Schedule "B" – Proposal Content Requirements
 - Schedule "C" – Form of Services Agreement
 - Schedule "D" – Year One (2022) Risk Control Activities Summary
 - Schedule "E" – Year Two (2023) Risk Control Activities Summary
 - Schedule "F" – Report: Slope Assessment and Monitoring Program

INQUIRIES

5. Any inquiries concerning this RFP should be directed in writing to the following:
 - Meagan Dyck, Engineering Technologist
City of Moose Jaw
Phone: 306-694-4407 / 306-513-8348
E-mail: mdyck@moosejaw.ca
 - City of Moose Jaw
228 Main Street N,
Moose Jaw, SK S6H 3J8
6. All inquiries should be in writing and received by Moose Jaw on or before **May 16, 2022**.
7. Moose Jaw may circulate its response to any inquiries to all proponents, along with the original inquiry and may post such response and original inquiry on www.moosejaw.ca and www.sasktenders.ca or may choose not to reply to any inquiry.
8. Proponents should refrain from contacting other employees, agents or members of Council of Moose Jaw in respect of this RFP process, including for the purposes of lobbying or attempting to influence the outcome of this RFP process. Any such contact may, in Moose Jaw's sole discretion, result in disqualification.

SUBMISSION OF PROPOSALS

9. One (1) electronic copy of the proposal should be submitted by email to engineerbids@moosejaw.ca by **2:00 p.m. Local Time on May 26, 2022** and in addition to the other requirements for submissions, meet the following conditions:
- a) Subject Line to include: ATTN: Project Contact Name, Project Number, Project Name;
 - b) Message Body to include: Respondent Name, Company, Contact Information, Brief Description of the Project;
 - c) Submission Attachment: The submission must be in .pdf format with the Project Number and Proponent's name in the file name;
 - d) The email must be smaller than 50 MB;
 - e) And if multiple emails are required to transfer the submission, the first email must contain clear instructions on how the additional files integrate into one (1) document.

Submissions will be date and time stamped based on the date and time shown when the email is received. If multiple emails are required, the time of the final email will be used.

Facsimile submissions will not be accepted.

10. If you require additional time to submit your proposal, you should contact Meagan Dyck by e-mail to mdyck@moosejaw.ca. Moose Jaw may, in its sole discretion, allow additional time for proponents to submit a proposal.
11. Proposals and accompanying documentation provided to Moose Jaw in response to this RFP will not be returned.

CONTENT OF PROPOSALS

12. Proposals should address the items set out in Schedule "B" - Proposal Content Requirements.
13. Proponents may provide additional information beyond that requested in the RFP for Moose Jaw's consideration. Any such additional information may be considered by Moose Jaw in its sole discretion.
14. Proponents may be asked to submit additional information pertaining to their past experience, qualifications and such other information that Moose Jaw might reasonably require.

COST OF PROPOSALS

15. Moose Jaw is not responsible for any costs incurred by proponents in preparing their proposals, attending any meetings or interviews with Moose Jaw, making any presentations to Moose Jaw in connection with their proposals, or otherwise incurred in connection with this RFP process.
16. This RFP does not create any legal obligations between Moose Jaw and any proponent.

EVALUATION PROCESS

17. Proposals will be opened and evaluated privately.
18. In assessing proposals, Moose Jaw will take into consideration the following evaluation criteria:
- a) qualifications and experience of the proponent and its lead personnel in the service areas being offered;

- b) qualifications and experience of any subconsultants and their lead personnel;
 - c) the capacity of the proponent to provide and successfully complete the services required by Moose Jaw as well as any optional services offered by the Proponent, in a timely, safe, efficient and quality manner;
 - d) proponent's overall fee proposal, including any reimbursable expenses;
 - e) terms of the Services Agreement that the proponent is prepared to accept;
 - f) the completeness of a proponent's proposal; and
 - g) such other criteria as Moose Jaw considers relevant.
19. Moose Jaw has not predetermined the relative importance of the above evaluation criteria. Moose Jaw expects to select the proponent that provides the best overall value, as determined by Moose Jaw in its sole discretion, having regard to the evaluation criteria referred to above.
20. Proposals will be evaluated on the basis of the information provided in response to these Instructions to Proponents. In addition, in assessing the proponent's qualifications, experience and capacity, Moose Jaw may also consider the following:
- a) clarifications and/or additional information that may be supplied pursuant to requests from Moose Jaw;
 - b) interviews and/or reference checks that may be conducted at Moose Jaw's discretion;
 - c) previous experience of Moose Jaw in working with the proponent; and
 - d) information received from any source that Moose Jaw considers reliable.
21. Moose Jaw may, in its sole discretion, request clarification from a proponent during the evaluation process.
22. Proponents are advised that the evaluation process is subjective in nature and Moose Jaw's intention is to consider, in its sole discretion, each proposal on its merits, without regard to the rules or principles of competitive bidding, including without regard to whether a proposal is compliant with this RFP.
23. Moose Jaw may short-list proponents and conduct interviews with short-listed proponents at its sole discretion. Furthermore, Moose Jaw may negotiate any and all aspects of a proposal, including but not limited to the fee proposal, and the Services Agreement terms.
24. An invitation to interview or to negotiate does not obligate Moose Jaw to conclude the Services Agreement with that proponent. Moose Jaw may interview or may negotiate any aspect of any proposal with one or more proponents at any time.
25. Moose Jaw will notify all unsuccessful proponents after entering into a definitive agreement with the successful proponent. Unsuccessful proponents may request a debriefing interview to obtain feedback on their proposal, within three (3) weeks after receiving a notification letter.

ANTICIPATED SCHEDULE OF EVENTS

26. The following is the anticipated schedule of events related to this RFP. These dates are provided as target dates only and may be changed at any time by Moose Jaw in its sole discretion:
- a) RFP Released **May 3, 2022**
 - b) Inquiries respecting RFP **May 16, 2022**
 - c) Closing Date **May 26, 2022**

- | | |
|--|--|
| d) Interviews with Proponents (if necessary) | Week of June 6, 2022 |
| e) Tentative Evaluation | approx. 3 weeks
following the Closing
Date |
| f) Tentative Services Agreement Execution | Week of June 20, 2022 |

FORM OF AGREEMENT

27. Any successful proponent(s) will be expected to enter into a Services Agreement for professional or consulting services based on the form of agreement attached at Schedule "C" (the "Services Agreement"), with such modifications as agreed to by Moose Jaw and a chosen proponent.

EFFECT OF RFP

28. This RFP is not intended to be a tender or otherwise subject to the laws applicable to competitive bidding. Until such time as Moose Jaw signs a definitive Services Agreement with a proponent, Moose Jaw does not intend to create a contractual relationship including a bid contract (either express or implied) with any proponent submitting a response to this RFP.
29. Submission of a proposal does not obligate Moose Jaw to accept any proposal or to proceed further with any of the Services. Consideration of any proposal shall be in Moose Jaw's sole discretion.
30. Proposals may be withdrawn or amended by proponents at any time by written notice to Moose Jaw prior to Moose Jaw and a proponent signing a formal contract.
31. Proponents are advised that Moose Jaw is intending to conduct a flexible procurement process, not subject to the law of competitive bidding, and that Moose Jaw may, in its sole discretion, at any time and for any reason:
- reject any and all proposals (including, for greater certainty, the lowest cost proposal);
 - modify or vary any aspect of this RFP at any time before or after the time for submission of proposals;
 - extend the deadline for submission of proposals at any time before or after the time for submission of proposals;
 - accept any non-compliant, conditional or irregular proposal or any alternate proposal, in whole or in part;
 - discuss the terms of a proposal submitted by a proponent with that proponent at any time, on a confidential basis, for the purposes of clarification and/or negotiation of that proposal;
 - allow any proponent submitting a proposal to modify or vary any aspect of its proposal at any time;
 - verify or seek clarification of any and all information provided pursuant to this RFP and provide proponents with an opportunity to correct any defects, informalities or irregularities in their proposal;
 - negotiate any and all aspects of any proposal and the provisions of the Services Agreement (including, without limitation, those provisions relating to fees and/or any scope of services) with any one or more proponents at any time in its sole discretion, whether before, during or after the selection and evaluation process; and
 - cancel this RFP at any time for any reason and thereafter proceed in any manner it sees fit, in its sole discretion, including:

- i. issuing a new request for proposals or other procurement document based on the same or changed scope of services or other requirements;
- ii. entering into sole source negotiations with any one or more of the proponents or any other person; or
- iii. cancelling the procurement in its entirety.

CONFIDENTIALITY, PUBLIC ANNOUNCEMENTS

32. Proponents are expected to keep confidential all documents, data, information and other materials of Moose Jaw which are provided to or obtained or accessed by a proponent in relation to this RFP, other than documents which Moose Jaw places in the public domain. Proponents are expected not to make any public announcements or news releases regarding this RFP or the entering into a Services Agreement pursuant to this RFP, without the prior written approval of Moose Jaw.
33. Proponents are advised that as a city, Moose Jaw is subject to the provisions of *The Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan), which provides a right of access to information in records under the control of a municipality. Proponents are advised that Moose Jaw may be required to disclose the RFP documents and a part or parts of any proposal in response to this RFP pursuant to *The Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan).
34. Proponents are also advised that *The Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan) does provide protection for confidential and proprietary business information; however, proponents are strongly advised to consult their own legal advisors as to the appropriate way in which confidential or proprietary business information should be marked as such in their proposal in response to this RFP. **Proponents should identify any information in their proposals that they consider to be confidential or proprietary business information.**

AGREEMENT ON INTERNAL TRADE

35. This procurement is subject to the Canadian Free Trade Agreement.

Schedule "A" – Services Requirements

1.0 Background and Description of the Project

The City of Moose Jaw is located at the confluence of three watersheds: Thunder Creek, Spring Creek, and the Moose Jaw River. The most recent known slope assessment was performed in 2001 which consisted of constructing a Geographic Information System (GIS) base map and Microsoft Access database, data review, risk ranking/hazard and consequence assessment, assessment, and development of a slope monitoring plan included in a report.

In 2021, the City of Moose Jaw retained Vertex Professional Services Inc. to deliver a Slope Monitoring Program Report based on the performance of a slope assessment, both desktop and physical assessments, identification, and prioritization of urgent issues and to recommend a slope monitoring program. The Slope Monitoring Program can be found in Schedule "F" – Slope Assessment and Monitoring Program within the City of Moose Jaw, Saskatchewan of this RFP.

The recommendations for the Slope Monitoring Program have a variety of Risk Control Activities (RCA) based on the risk level of each geohazard. The frequency of each RCA varies from twice per year, once per year, and every other year depending on the activity and risk level of the geohazard. A detailed table (Table A-1) of the identified geohazards can be found in Appendix A of Schedule "F" of this RFP.

The City is seeking qualified engineering consulting firms to implement the Slope Monitoring Program on a two-year term which is further defined in the appended Schedules to this RFP and the sections below.

2.0 Scope of the Services

The provision of engineering services for the Project shall include, but is not limited to, the following:

- a. Year One (2022)
 - i. Project Management during the entirety of the project.
 - ii. Communication to the public and stakeholders in relation to the Scope of Services.
 - iii. Detailed Site Investigations including drilling and instrument installation.
 - iv. Site Monitoring including installation and reading of Survey Monuments.
 - v. Site Monitoring including Aerial Imagery Review and updating.
 - vi. Site Inspections on Foot.
 - vii. Reporting of all findings, observations, and updates to all identified geohazards along with Recommendations for Remediation and Cost Estimates for High Risk (High-Priority) locations and Urgent locations, if found.
- b. Year Two (2023)
 - i. Project Management during the entirety of the project.
 - ii. Communication to the public and stakeholders in relation to the Scope of Services.
 - iii. Site Monitoring including reading of instrumentation.
 - iv. Site Monitoring including reading of Survey Monuments.
 - v. Site Monitoring including Aerial Imagery Review and updating.
 - vi. Site Inspections on Foot.
 - vii. Reporting of all findings, observations, and updates to all identified geohazards along with Recommendations for Remediation and Cost Estimates for Urgent locations, if found.

Specific minimum requirements and responsibilities of the Proponent is summarized in the next sections. The Proponent is encouraged to include additional duties that they may feel are necessary to provide the

City with adequate professional services for this project. The Proponent will supply all expertise, supervision, labour, materials, equipment, and incidentals to complete the Project.

2.1 Project Management

The Proponent shall provide Project Management through the entirety of the project which includes, but is not limited to, the following:

- a. Provision of overall Project Management services including direction and coordination of all aspects of work throughout the overall course of the Project.
- b. The ability to observe accepted Project Management processes and demonstrate the utilization of a professional designation such as PMP or other industry accepted professional project management certification of their project manager.
- c. Ability to implement project controls including, cost, schedule, scope, quality control, risk management, change management and client reporting procedures.
- d. Provide estimated budgets of labour hours to complete activities and milestones and report on actual results against the proposed Work Breakdown Structure (WBS) provided as per Schedule "B" Section 9.
- e. Provide project-related information as it relates to key stakeholders, the public in adjacent neighbourhoods, local school boards, park users, emergency services, City Council and Administration.
- f. Schedule and conduct regular Project Meetings, providing status reports related to project controls, submission reviews, and seek City input at key stages of the Project. Project Meetings will be held utilizing Microsoft Teams with the Meeting Agenda distributed to invitees at minimum one day in advance and Meeting Minutes distributed within five days following the meeting. Requirements for Meetings at different stages of the Project are further defined below:
 - i. Project Kick-Off
 - To be scheduled once Project is awarded.
 - ii. Project Meetings
 - Frequency will be at a minimum of bi-weekly regularly scheduled meetings.
 - Additional in-person meetings at City Hall may be required for major milestones.

2.2 Communication

The Proponent shall provide the City with the necessary communication associated with the Scope of Services, which includes, but is not limited to, the following:

.1 Stakeholders

The Proponent shall identify, liaise, and assist the City in Communication with all Stakeholders, and utilities regarding the scope of work. This communication will include coordination and completion of applicable permitting and application requirements. Potential identified Stakeholders include, but are not limited to, the following:

- a. Utility Locates, including:
 - i. Sask 1st Call
 - ii. Shaw Cable
 - iii. City of Moose Jaw Utilities
 - iv. Any other private utilities not covered by the above.
- b. City of Moose Jaw
 - i. City Council
 - ii. City Administration
 - iii. Department of Communications

- iv. Public Works and Utilities
- v. Parks and Recreation
- c. Wakamow Valley Authority
- d. Canadian Pacific Railway (CPR) Company
- e. Canadian National (CN) Railway Company
- f. Governing Agencies, including:
 - i. Saskatchewan Ministry of Environment
 - ii. Saskatchewan Watershed Authority (SaskWater)
 - iii. Water Security Agency (WSA)
 - iv. Transport Canada
 - v. Department of Fisheries and Oceans (DFO)

.2 Public Service Announcement (PSA)

The Proponent shall assist the City of Moose Jaw to draft and release PSA(s) regarding the scope of work, schedule, and location for specific work activities to take place. PSA(s) shall be finalized for release at a minimum of seven days in advance.

.3 Resident Notification

The Proponent shall provide all affected residents physical notification by means of doorknockers or hand delivered letters regarding the scope of work, schedule, and location for specific work activities to take place. Resident Notification shall be given at a minimum of seven days in advance.

2.3 Risk Control Activities for Year One (2022)

The Proponent shall perform the Risk Control Activities summarized in the table below, which are further defined in the appended Schedules and below sections:

Total Number of Sites	Risk Level	2022 Risk Control Activities				
		Detailed Site Investigation	Detailed Site Investigation with Instrumentation	Site Monitoring with Survey Monuments	Site Monitoring with Aerial Imagery Review	Site Inspections on Foot
4	High (High Priority)	1	3	3		
8	High (Non-Priority)			8		
12	Medium			4	4	4
23	Low					2
1	Very Low					1
TOTAL:		1	3	15	4	7

.1 Detailed Site Investigations with Instrumentation

High Risk (High Priority) sites will require a Detailed Site Investigation which assesses site conditions, engineering soil properties, determination of slope failure mechanism, and evaluation of potential mitigation measures along with feasibility of such.

Detailed Site Investigations with Instrumentation shall be performed at four locations and shall include, but are not limited to, the following:

- a. Performance of all applicable Communication requirements summarized in Section 2.2 of this RFP.
- b. Drilling Program
 - i. Evaluation of subsurface soils and groundwater conditions.
 - ii. Evaluation of the full extent of the failure surface, which includes, but is not limited to the following:
 - A minimum of two boreholes per site are required unless site conditions do not allow. The Proponent shall include pricing for the appropriate number of boreholes with associated cost savings should site conditions not be ideal for borehole drilling.
 - Drilled to a minimum depth equal to the slope height, or intersection of the lower till/bedrock interface (up to 30 m in depth).
- c. Instrumentation shall be installed at three of the four locations and includes the following:
 - i. Installation of slope inclinometers to monitor slope movement.
 - Two readings taken; one taken after installation, and one taken during the fall.
 - ii. Installation of Vibrating Wire Piezometer to monitor pore water pressure response time.
 - Two readings taken; one taken after installation, and one taken during the fall.

.2 Site Monitoring with Survey Monuments

Eleven High Risk locations and four Medium Risk locations will require Site Monitoring with Survey Monuments. The Proponent shall propose and perform the method to monitor lateral bank erosion and progression of scarp movement.

Site Monitoring with Survey Monuments shall be performed and shall include, but is not limited to, the following:

- a. Performance of all applicable Communication requirements summarized in Section 2.2 of this RFP.
- b. Survey Monuments shall be installed as proposed by the Proponent.
- c. High Risk (High Priority) Locations:
 - i. Two readings taken; one taken after installation, and one taken during the fall.
- d. High Risk (Non-Priority) Locations:
 - i. Two readings taken; one taken after installation, and one taken during the fall.
- e. Medium Risk Locations:
 - i. One reading taken after installation.

.3 Site Monitoring Using Aerial Imagery Review

Four Medium Risk locations will require Site Monitoring Using Aerial Imagery Review to evaluate changes to slope configurations and identify geotechnical features that could potentially trigger a slope instability.

Site Monitoring Using Aerial Imagery Review shall be performed and shall include, but is not limited to, the following:

- a. Performance of all applicable Communication requirements summarized in Section 2.2 of this RFP.
- b. Aerial Drone Survey
 - i. Permitting, Licensing, Authorization:
 - The Proponent shall obtain all necessary permits, licensing, authorization, and any other requirements for performance of the Aerial Drone Survey.
- c. Evaluation, updating, and reporting of changes to slope configurations and identification of geotechnical features that could potentially trigger a slope instability by means of the following:
 - i. Comparison of updated imagery to historical imagery

.4 Site Inspections on Foot

Four Medium Risk locations, two Low Risk locations, and one Very Low Risk location will require Site Inspections on Foot to evaluate surface drainage pathways and to determine if stormwater drainage exists at these locations.

Site Inspections on Foot shall be performed and shall include, but is not limited to, the following:

- a. Performance of all applicable Communication requirements summarized in Section 2.2 of this RFP.
- b. Each location will require one inspection after thawing and/or melting conditions.
- c. The Proponent shall utilize the Field Inspection Form provided in Appendix B of Schedule “F”, or one similar.

2.4 Risk Control Activities for Year Two (2023)

The Proponent shall perform the Risk Control Activities summarized in the table below, which are further defined in the appended Schedules and below sections:

Total Number of Sites	Risk Level	2023 Risk Control Activities				
		Detailed Site Investigation	Site Monitoring with Instrumentation	Site Monitoring with Survey Monuments	Site Monitoring with Aerial Imagery Review	Site Inspections on Foot
4	High (High Priority)		3	3		
8	High (Non-Priority)			8		
12	Medium			4	4	4
23	Low				15	2
1	Very Low					1
TOTAL:		0	3	15	19	7

.1 Site Monitoring with Instrumentation

Site Monitoring with Instrumentation shall be performed at three High Risk (High-Priority) locations and shall include, but is not limited to, the following:

- a. Performance of all applicable Communication requirements summarized in Section 2.2 of this RFP.
- b. Instrumentation shall be installed and includes the following:
 - i. Installation of slope inclinometers to monitor slope movement.
 - Two readings taken; one taken after thawing/melting conditions, and one taken during the fall.
 - ii. Installation of Vibrating Wire Piezometer to monitor pore water pressure response time.
 - Two readings taken; one taken after thawing/melting conditions, and one taken during the fall.

.2 Site Monitoring with Survey Monuments

Eleven High Risk locations and four Medium Risk locations will require Site Monitoring with Survey Monuments. The Proponent shall perform the method, provided in Year One (2022), to monitor lateral bank erosion and progression of scarp movement.

Site Monitoring with Survey Monuments shall be performed and shall include, but is not limited to, the following:

- a. Performance of all applicable Communication requirements summarized in Section 2.2 of this RFP.
- b. High Risk (High Priority) Locations:
 - i. Two readings taken; one taken after thawing/melting conditions, and one taken during the fall.
- c. High Risk (Non-Priority) Locations:
 - i. Two readings taken; one taken after thawing/melting conditions, and one taken during the fall.
- d. Medium Risk Locations:
 - i. One reading taken after thawing/melting conditions.

.3 Site Monitoring Using Aerial Imagery Review

Four Medium Risk locations and fifteen Low Risk locations will require Site Monitoring Using Aerial Imagery Review to evaluate changes to slope configurations and identify geotechnical features that could potentially trigger a slope instability.

Site Monitoring Using Aerial Imagery Review shall be performed and shall include, but is not limited to, the following:

- d. Performance of all applicable Communication requirements summarized in Section 2.2 of this RFP.
- e. Aerial Drone Survey
 - i. Permitting, Licensing, Authorization:
 - The Proponent shall obtain all necessary permits, licensing, authorization, and any other requirements for performance of the Aerial Drone Survey.
- f. Evaluation, updating, and reporting of changes to slope configurations and identification of geotechnical features that could potentially trigger a slope instability by means of the following:
 - i. Comparison of updated imagery to historical imagery.

.4 Site Inspections on Foot

Four Medium Risk locations, two Low Risk locations, and one Very Low Risk location will require Site Inspections on Foot to evaluate surface drainage pathways and to determine if storm water drainage exists at these locations.

Site Inspections on Foot shall be performed and shall include, but is not limited to, the following:

- a. Performance of all applicable Communication requirements summarized in Section 2.2 of this RFP.
- b. Each location will require one inspection after thawing and/or melting conditions.
- c. The Proponent shall utilize the Field Inspection Form provided in Appendix B of Schedule "F", or one similar.

3.0 Deliverables and Submittals

The Proponent shall provide the deliverables and submittals in draft format for review by the City. Upon return of comments, questions, or clarification from the City on the draft document(s), the Proponent shall submit a final which includes a comment-resolution form from the draft version. Upon acceptance from the City, the Proponent shall deliver stamped, signed, and sealed documents in electronic format.

Deliverables and Submittals for both Year One and Year Two are further defined below, which includes, but is not limited to, the following:

.1 Deliverables and Submittals for Year One (2022)

The Proponent shall submit a Slope Monitoring Report for 2022 with all findings from the Risk Control Activities defined in Section 2.3, which includes, but is not limited to, the following:

- a. Executive summary.
- b. Background information.
- c. Findings and Observations from Risk Control Activities, including:
 - i. Detailed Site Investigations include a Geotechnical Investigation Report for each site to be summarized and appended in the Slope Monitoring Report.
 - ii. Site Monitoring with Instrumentation and Survey Monuments includes a Monitoring Report to be summarized and appended in the Slope Monitoring Report.
 - iii. Site Monitoring Using Aerial Imagery Review including submittal of all imagery in GIS format.
 - iv. Site Inspections on Foot to be summarized with Field Inspection Forms appended in the Slope Monitoring Program Report.
- d. Reassessment and updating of the Geohazard Risk Registry per the appended Schedule “F”.
- e. Notification of Urgent Issues, if found.
- f. Recommendations and Cost Estimates, including:
 - i. Remediation options for High-Risk (High Priority) locations.
 - ii. Remediation options for Urgent locations, if found.
 - iii. Business case of feasibility for each recommendation.

.2 Deliverables and Submittals for Year Two (2023)

The Proponent shall submit a Slope Monitoring Report for 2023 with all findings from the Risk Control Activities defined in Section 2.4, which includes, but is not limited to, the following:

- a. Executive summary.
- b. Background information.
- c. Findings and Observations from Risk Control Activities, including:
 - i. Site Monitoring with Instrumentation and Survey Monuments includes a Monitoring Report to be summarized and appended in the Slope Monitoring Report.
 - ii. Site Monitoring Using Aerial Imagery Review including submittal of all imagery in GIS format.
 - iii. Site Inspections on Foot to be summarized with Field Inspection Forms appended in the Slope Monitoring Program Report.
- d. Reassessment and updating of the Geohazard Risk Registry per the appended Schedule “F”.
- e. Notification of Urgent Issues, if found.
- f. Recommendations and Cost Estimates, including:
 - i. Remediation options for Urgent locations, if found.
 - ii. Business case of feasibility for each recommendation.

4.0 Anticipated Schedule

The Proponent shall propose a schedule to perform both Year One (2022) and Year Two (2023)’s work within a reasonable timeframe to have the Scope of Services completed by October 31 of each year, respectively.

5.0 Two-Year Project

The Proponent and Moose Jaw each acknowledge and agree that the Services are related to a project that is being completed in a two-year approach and that the completions of all Services will require Moose Jaw’s internal approval of subsequent budget for the subsequent year and the performance and acceptance of the Services relating to the initial year of the Services provided by the Proponent to the satisfaction of Moose Jaw.

Schedule "B" - Proposal Content Requirements

Proponents should, at a minimum, address the following in their Proposals.

Firm Detail

1. A brief description of your firm including any qualifications you consider relevant.

Relevant Experience

2. A description of your firm's experience in performing similar work, including two (2) references of work performed for municipalities or other government bodies or agencies in the previous five (5) years, and appropriate contact information for references.

Lead Personnel

3. Identify the lead personnel responsible to lead the delivery of the services the proponent is prepared to offer and their expected involvement. Moose Jaw expects that each of the identified lead personnel will be licensed and in good standing to perform the services in Saskatchewan.
4. Describe the relevant experience of the lead personnel and include their resumes and professional designations.

Methodology

5. Provide an outline of the proposed methodology to complete the work described in this RFP. Include an allocation of the work, scheduling, cost control, estimating, quality control methodology and other specific methods.

Capacity

6. Moose Jaw expects that you will have sufficient resources available to meet the service requirements of Moose Jaw in a timely and efficient manner. Provide a brief description of your firm's staffing resources that will be utilized to meet the service requirements of Moose Jaw.

Subconsultants

7. Provide the same information as provided for item 1-6, above, for any subconsultant that you propose to engage to provide the services.

Liability Insurance

8. Moose Jaw expects that you carry professional liability insurance in an amount of not less than \$5,000,000.00 per occurrence. Provide certificates of insurance outlining the amounts of professional liability insurance that you carry.

Fee Proposal

9. Proponents should provide a fee proposal which addresses the following:

Fixed Fee

Please provide the fixed fee you are prepared to offer for completing the Services.

This Fixed Fee shall include two separate Work Breakdown Structures (WBS) for both Year One (2022) and Year Two (2023) services. Each WBS shall include hours, rates, subtotals, and totals for all tasks of the Services with separate line items for Provincial Sales Tax (PST) and Government Sales Tax (GST) on applicable tasks.

Invoicing of completed work shall be tracked against the WBS Fee Proposal and submitted monthly with separate line items for applicable taxes.

Hourly Rates

Please provide a complete schedule of all hourly rates for the lead personnel, any other professionals and any other service providers expected to be involved in the performance of the Services, exclusive of GST. Also indicate the duration that the hourly rates will remain in effect for.

If hourly rates are to be adjusted for future years, how would such rates be adjusted and describe whether they be subject to a not-to-exceed escalation factor.

Reimbursable Expenses

Please describe any other reimbursable expense categories and any proposed mark-up. The City prefers that no mark-up is proposed for reimbursable expenses.

10. All prices/rates should be quoted in Canadian Dollars, exclusive of any applicable PST and GST.

Schedule

11. Proposals should include a confirmation of whether your company is capable of meeting Moose Jaw's schedule for completion of the Services, as set out in this RFP.

Exceptions to Services Agreement Terms

12. A detailed description of any exceptions or additions to the Services Agreement should be clearly set out in a proponent's proposal. Moose Jaw will assume, in the absence of any such exceptions or additions, that the proponent accepts the form of Services Agreement.

Conflict of Interest Disclosure

13. Disclose any actual or potential conflicts of interest that may exist between your firm and its management, and Moose Jaw, its members of Council and management, and the nature of such conflict of interest. If a proponent has no such conflict of interest, a statement to that effect should be included in its proposal. Moose Jaw employees are ineligible to participate, directly or indirectly, with any proponent.

Confidentiality

14. Proponents are advised that as a city, Moose Jaw is subject to the provisions of *The Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan), which provides a right of access to information in records under the control of a municipality. Proponents are advised that Moose Jaw may be required to disclose the RFP documents and a part or parts of any proposal in response to this RFP pursuant to *The Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan).
15. Proponents are also advised that *The Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan) does provide protection for confidential and proprietary business information; however, proponents are strongly advised to consult their own legal advisors as to the appropriate way in which confidential or proprietary business information should be marked as such in their proposal in response to this RFP. **Proponents should identify any information in their proposals that they consider to be confidential or proprietary business information.**

Any such change or adjustment to the Services or fees must be confirmed in writing before any additional services are undertaken by the Consultant.

SCHEDULE C – GENERAL CONDITIONS

Article 1: INTERPRETATION

1.1 Definitions

In this Schedule C – General Conditions:

- (1) "**Agreement**" and "**Contract Documents**" each mean, collectively, (i) the Consulting Services Agreement signed by Moose Jaw and the Consultant, (ii) all of the schedules or other documents attached to the this Agreement, or otherwise incorporated by reference from time to time, and (iii) all amendments to the foregoing from time to time duly executed by Moose Jaw and the Consultant
- (2) "**Confidential Information**" has the meaning given in Section 6.5.
- (3) "**Documents**" has the meaning given in Section 2.12.
- (4) "**Owner Indemnified Parties**" means, collectively, Moose Jaw, its Mayor and Councillors, and its employees, agents and representatives.
- (5) "**Personnel**" means, collectively, the Consultant's employees, agents and representatives, and any other individuals under the direction of the Consultant involved in the performance of the Services.
- (6) "**Services**" means the carrying out and doing of all things that are to be done or supplied by the Consultant pursuant to this Agreement.

Other defined terms have the meaning ascribed to them elsewhere in the Contract Documents.

1.2 Governing Law

The laws of the Province of Saskatchewan govern the interpretation, validity and enforceability of this Agreement. Each party agrees to submit to the jurisdiction of the courts of the Province of Saskatchewan.

1.3 Governing Terms and Conditions

The terms and conditions set forth in this Agreement constitute the exclusive agreement between Moose Jaw and the Consultant and this Agreement supersedes all prior agreements or commitments, whether oral or written, with respect to the Services. No representation, inducement, promise, understanding, condition or warranty not set forth in this Agreement has been made or relied upon by either party. No agreement or understanding modifying the terms of this Agreement will be binding on Moose Jaw or the Consultant unless made in writing and signed on behalf of Moose Jaw and the Consultant.

Article 2: PERFORMANCE OF THE SERVICES

2.1 Performance of the Services

The Consultant shall have complete control of the Services and shall effectively direct and supervise the Personnel involved in the Services so as to ensure compliance with the Contract Documents.

2.2 Standard of Care

The Consultant shall perform the Services with the degree of diligence, skill and care required by customarily accepted procedures and practices for comparable services in the Consultant's industry, at the time that the Services are performed.

2.3 Time for Performance

The Consultant shall perform the services diligently at all times and within any timelines or schedule specified in Schedule A – Scope of Services.

2.4 Subcontracts

The Consultant will not employ any subcontractors or sub-consultants to perform any part of the Services without first obtaining the written authorization of Moose Jaw. No subcontracting by the Consultant, nor the granting of any authorization to subcontract by Moose Jaw, will relieve the Consultant of any of its liabilities or obligations under the Contract Documents.

2.5 Additional Instructions

Moose Jaw may furnish additional instructions as necessary for the performance of the Services. All such additional instructions must be consistent with the general scope and intent of the Services. In giving such additional instructions, Moose Jaw will have authority to make minor changes in the Services, not inconsistent with the general scope and intent of the Contract Documents.

2.6 Additional Services

Moose Jaw and the Consultant may, by mutual agreement, make changes to the Services. Any adjustment to the amounts payable to the Consultant for such additional services must be confirmed in writing before any additional Services are undertaken by the Consultant.

2.7 Compliance with Rules and Regulations

The Consultant shall, and shall cause each of the Personnel to, comply with all rules and regulations established or adopted by Moose Jaw with respect to occupational health and safety, environmental management, emergency response and evacuation, fire prevention, site security and administrative and operational rules and regulations, as may be supplemented or modified by Moose Jaw from time to time for any Moose Jaw facility or work site where the Consultant or the Personnel may attend in connection with the Services.

2.8 Compliance with Laws and Codes

The Consultant shall, and shall cause each of the Personnel to, comply with all federal, provincial, local or other laws, ordinances, rules, codes, regulations and permits of any relevant government or governmental authority which affect the Services as well as all industry codes and standards customarily applicable to the Services.

2.9 Permits and Licenses

Except as otherwise specified elsewhere in the Contract Documents, the Consultant shall, at its expense, obtain and comply with all necessary permits, licenses, certificates, clearances, approvals, authorizations or consents required by any relevant government or governmental authority for the performance of the Services.

2.10 Responsibility for Taxes

All sales or use taxes applicable to the amounts charged by the Consultant under this Agreement shall be separately identified in all invoices delivered by the Consultant. The Consultant shall promptly pay when due and shall indemnify and save harmless Moose Jaw from all taxes, withholding taxes, duties, levies, contributions, assessments or other charges in relation to the Services or this Agreement that may be payable to any federal, provincial, local or other government authority in connection with the amounts paid by Moose Jaw to the Consultant under this Agreement.

2.11 Expenses

Except where expressly provided otherwise in this Agreement, the Consultant shall be solely responsible for all supervision, certification, training and all other expenses relating to the employment of Personnel, and the cost of all items consumed by the Consultant in the course of providing the Services.

2.12 Documents

All drawings, specifications, plans, studies, models, data, reports, specifications, surveys, calculations and any other documents, information and material (collectively, the "**Documents**"), collected, compiled, or produced during the performance of the Services shall be works for hire and shall upon their development be and become the property of Moose Jaw. Any copyright arising in respect of any of the Documents is hereby assigned to Moose Jaw, and the Consultant hereby waives any moral rights it may have in or related to the copyright in respect of any of the Documents.

2.13 Intellectual Property

The Consultant shall ensure that neither the Services nor any of the Documents will constitute or result in any infringement or violation of any intellectual property right including, without limitation, any patent, copyright or industrial design protection or any law relating thereto. The Consultant shall indemnify and save harmless Moose Jaw from all claims, demands, actions, costs, expenses, judgements, losses or damages which may arise out of or result from the assertion by any person that the supply by the Consultant for use or other application by Moose Jaw of all or any portion of the Services or Documents furnished under this Agreement infringes any industrial or intellectual property rights, or law relating thereto.

Article 3: TERMINATION

3.1 Termination for Cause

In addition to any other rights and remedies which it may have, Moose Jaw may terminate this Agreement if the Consultant:

- (1) fails to comply with any of the terms or conditions of this Agreement including, without limitation, late performance of Services or performance of the Services in a manner which does not conform with this Agreement; or
- (2) is adjudged bankrupt, becomes insolvent, makes an assignment for the benefit of creditors, institutes or becomes subject to proceedings under any laws for the relief of debtors, or if a receiver, monitor, trustee or liquidator is appointed over the Consultant's business.

3.2 Termination Without Cause

Moose Jaw may, at any time, terminate this Agreement without cause at its sole option by giving at least thirty (30) days written notice to the Consultant to that effect. Upon Moose Jaw giving such notice to the Consultant, the Consultant shall take all reasonable steps to wind-down the Services as soon as reasonably practical. Moose Jaw shall pay the Consultant for the Services completed prior to the effective date of termination, together with any actual direct costs resulting from such termination. Payment of such amounts will be the Consultant's exclusive remedy, and will constitute satisfaction of any and all liabilities of Moose Jaw, with respect to any such termination of this Agreement.

3.3 Rights on Termination

Upon termination of this Agreement and the engagement of the Consultant:

- (1) the Consultant shall, within seven days of notice of the termination, deliver to Moose Jaw all components and items of its Services and the Documents, as they exist as of the date of termination; and
- (2) all property, title and interest of the Consultant in the Services and Documents, as the same exists to the effective date of termination, shall immediately pass to and vest in Moose Jaw.

3.4 Assessment Following Completion of Year One (2022)

The Consultant acknowledges and agrees that Moose Jaw will be actively assessing the Consultant's performance of the Services and making internal determinations as to whether subsequent years of the Services will be required. Upon the completion of Year One (2022), Moose Jaw will assess the Consultant's performance of the Services and Moose Jaw reserves the right at any time to terminate this Agreement pursuant to Section 3.2 herein should Moose Jaw, in its sole discretion, elect to not proceed with subsequent years of the Services.

Article 4: INDEMNIFICATION AND LIMITATION OF LIABILITY

4.1 Consultant Indemnity

The Consultant shall indemnify and hold harmless the Owner Indemnified Parties from and against all liability, damages, losses, expenses or costs (including legal fees on a solicitor/client basis) suffered or incurred by Moose Jaw as a result of claims, demands, actions, causes of action, suits or proceedings, which may be made or brought or prosecuted against Owner Indemnified Parties or any of them by a third party, to the extent arising out of, resulting from or attributable to:

- (1) the acts or omissions, including, without limitation, negligence, gross negligence, or willful, wanton or intentional misconduct of the Consultant or the Personnel in the performance of the Services; or
- (2) a breach of this Agreement by the Consultant.

4.2 Consequential Damages

Notwithstanding any other provision of this Agreement, the Consultant shall not be liable to Moose Jaw in relation to this Agreement, whether due to breach of contract, tort, negligence, warranty, strict liability or

otherwise, for consequential damages, including, without limitation, loss of profits, loss of revenue or loss of anticipated business suffered or incurred by Moose Jaw arising from the performance of Services.

Article 5: **INSURANCE**

5.1 **Consultant's Insurance**

The Consultant shall, without limiting its obligations or liabilities herein, maintain and keep in force during the performance of the Services at its expense the following insurance with limits specified below:

- (1) commercial general liability insurance with a combined single limit of \$5,000,000 per occurrence and in the aggregate, covering all operations by or on behalf of the Consultant against claims for personal injury (including bodily injury and death) and property damage;
- (2) automobile liability insurance with a combined single limit of not less than \$2,000,000.00 for each occurrence of bodily injury (including passenger hazard), and property damage. Such insurance shall cover all owned, hired or non-owned motor vehicles;
- (3) professional liability (errors and omissions) insurance with a limit of \$2,000,000 for each claim and in the aggregate, covering losses arising from the performance of the Services; and
- (4) any other insurance which the Consultant is required by law to provide.

5.2 **Terms of Insurance**

The insurance obtained by the Consultant pursuant to Section 5.1 shall be provided in accordance with the following terms and conditions:

- (1) all insurance coverage specified in Section 5.1 shall be in a form and with insurers acceptable to Moose Jaw, acting reasonably.
- (2) the Consultant shall provide Moose Jaw with satisfactory proof of insurance coverage required by Section 5.1 prior to commencing the Services. The Consultant will provide certified copies of actual insurance documents if requested by Moose Jaw.
- (3) Moose Jaw shall be included as an additional insured for the Consultant's commercial general liability insurance for liability arising out of or in relation to the Services or the Consultant's work or operations performed under or incidental to this Agreement.

Article 6: **GENERAL PROVISIONS**

6.1 **Rights and Remedies**

Except as otherwise expressly provided in this Agreement, the rights and remedies of the parties specified in this Agreement are cumulative and are not exclusive of any other rights or remedies which the parties would otherwise have.

6.2 Survival

All provisions of this Agreement which expressly or by their nature survive the termination of this Agreement or the completion of the Services will continue in full force and effect after any termination of this Agreement or the completion of the Services.

6.3 Independent Contractor

The Consultant shall be an independent contractor and not an agent or representative of Moose Jaw. Nothing contained in this Agreement shall create any contractual relationship between Moose Jaw and any subcontractor, nor an employment relationship between Moose Jaw and any of the Personnel.

6.4 Conflict of Interest

The Consultant and the Personnel:

- (1) shall conduct their duties related to this Agreement in good faith and with impartiality and if, in the course of their duties, they exercise inspection or other discretionary authority over any party with whom a separate relationship between them and such party could bring their impartiality in relation to this contract into question, the Consultant must notify Moose Jaw as to the nature and extent of such relationship;
- (2) shall not influence, seek to influence, or otherwise take part in a decision of Moose Jaw, knowing that the decision might further their private interests; and
- (3) shall not accept any commission, discount, allowance, payment, gift, or other benefit that is connected, directly or indirectly, with the performance of their duties related to this Agreement or, that causes, or would appear to cause, a conflict of interest.

6.5 Confidentiality

- (1) In this Section, "**Confidential Information**" means: (i) the terms and conditions of this Agreement; (ii) all knowledge and information concerning the technical, commercial, business, and public service operations of Moose Jaw; (iii) any third party proprietary information in the custody and control of Moose Jaw; or (iv) any personal information as defined in *The Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan), any of which may be acquired by the Consultant in the course of the performance of the Services;
- (2) The Consultant shall keep all Confidential Information strictly confidential. The Consultant shall not, without the prior written consent of Moose Jaw, divulge to any third party any of the Confidential Information, or make any commercial use whatsoever of the Confidential Information. The Consultant agrees that the Confidential Information shall be used solely for the Consultant's performance of the Services. The obligations of the Consultant under this Section 6.5 shall survive completion of the performance of the Services or the termination of this Agreement, for a period of ten years.
- (3) The Consultant further agrees that only those of its Personnel who have a need to receive Confidential Information for the performance of its obligations under this Agreement shall have access thereto and, in such event, the Consultant agrees and undertakes to cause the Personnel

to hold such Confidential Information so received under the obligations of confidentiality imposed by this Section.

- (4) For greater certainty, the Consultant shall be responsible to Moose Jaw for any disclosure or use of the Confidential Information contrary to this Agreement by any of the Personnel or any other party to whom the Consultant has disclosed such Confidential Information.

6.6 **Assignment**

This Agreement shall enure to the benefit of and be binding upon the parties and their respective successors and permitted assigns, as the case may be. The Consultant shall not assign this Agreement, or any part, benefit or interest in this Agreement, without the prior written consent of Moose Jaw.

6.7 **Entire Agreement**

This Agreement constitutes the entire agreement between the parties in respect of its subject matter and supersedes all prior agreements, proposals or tender submissions, quotation requests, understandings, representations, warranties, promises, statements, negotiations, letters and documents in respect of its subject matter (if any) made or given prior to the date of this Agreement.
