EVALUATION OF BIDS

19. In evaluating Bids, the City of Moose Jaw expects to select the Qualified Bidder with the lowest Bid price.
20. The Owner will hold a private Bid opening on **June 29, 2022 at 2 p.m. (Central Standard Time)**. The Bid opening will be held at:

1010 High Street West

At the Bid Opening, the Owner will read out the names of each Bidder who has submitted a Bid prior to the Bid submission deadline, and their corresponding Bid price.

21. The Owner will complete its evaluation of Bids privately to determine whether Bids read at the public opening are compliant with these Instructions to Bidders, and to determine which Bidder is the lowest Qualified Bidder.
22. The Owner will determine who is a Qualified Bidder in its sole discretion, taking into account the following evaluation criteria:
 - (a) satisfaction of the Specifications for the Goods as identified in Appendix A;
 - (b) the Bidder's qualifications, experience and capacity to supply the goods and perform its obligations under a Contract with the City of Moose Jaw;
 - (c) the completeness of a Bidder's Bid submission; and

- (d) such other criteria as the City of Moose Jaw considers relevant.
23. The City of Moose Jaw will assess whether each Bidder is a Qualified Bidder primarily based on the information contained in each Bidder's Bid. In addition, in assessing the Bidder's qualifications, the City of Moose Jaw may have regard to the following:
- (a) clarifications and/or additional information that may be supplied pursuant to requests from the City of Moose Jaw;
 - (b) interviews and/or reference checks that may be conducted at the City of Moose Jaw's discretion;
 - (c) previous experience of Moose Jaw in working with the Bidder; and
 - (d) information received from any source that the City of Moose Jaw considers reliable.
24. In determining the lowest Bid price from among the Qualified Bidders, the City of Moose Jaw expects to take into consideration all pricing information submitted with the Bids received, including any alternate pricing or pricing for optional components of the Goods.
25. The Owner may, in its sole discretion, request clarification from a Bidder during the evaluation process. In responding to a request for clarification, the Bidder may not revise, amend or otherwise alter its Bid.
26. The Owner intends to evaluate Bids in the manner and based on the criteria set forth in these Instructions to Bidders, and the lowest or any Bid will not necessarily be accepted.
27. The Owner may, in its sole discretion, retain for consideration Bids that are non-conforming because they fail to comply with these Instructions to Bidders with regard to content, form, submission process or any other matter. The Owner may waive any defects, informalities or irregularities in a Bid and accept a Bid which contains any such defects, irregularities or informalities.
28. The Owner may, in its sole discretion, between the opening of Bids and the award, if any, provide Bidders with an opportunity to correct any defects, informalities or irregularities in their Bid.

BID ACCEPTANCE

30. The City of Moose Jaw will notify the selected Bidder in writing that its Bid has been accepted. The City of Moose Jaw will then prepare a formal

agreement for execution based on the selected Bid and will deliver the Contract to the selected Bidder for execution. The selected Bidder will be obligated to execute the Contract within 3 working days after receipt of the Contract for execution. Failure to do so will result in the forfeiture of the selected Bidder's Bid Security (if applicable). Retaining the Bid Security in such cases shall not constitute waiver of any additional rights and remedies that the City of Moose Jaw may have against the Bidder.

31. The City of Moose Jaw intends to notify all unsuccessful Bidders, by e-mail, promptly after execution of the Contract. Unsuccessful Bidders may request a debriefing interview, to obtain feedback on their submission, within four weeks after receiving a notification letter.
32. If Bidders are required to provide security deposits with their Bids, the security deposits of unsuccessful Bidders will be returned as soon as possible after the selected Bidder executes the Contract. If no Contract is awarded, all security deposits will be returned. The security deposit of the successful Bidder will be returned after the Bidder has executed the Contract.
33. The successful Bidder and associated winning Bid will be public information. In following the Canadian Free Trade Agreement, the following information will be disclosed publicly as per the Owner's *Purchasing Policy*:
 - (a) a description of the goods or services procured;
 - (b) the name and address of the procuring entity;

MISCELLANEOUS

34. If all qualified Bids (as determined by the City of Moose Jaw in its sole discretion) exceed the amount that the City of Moose Jaw has budgeted for this purchase or if the City of Moose Jaw otherwise determines, at its sole discretion, that not entering into a Contract with any of the Bidders would be in its best interests, the City of Moose Jaw may:

- (c) issue a new tender or commence another procurement process, based on the same or differing goods or other requirements; and/or

Bidders are advised that the City of Moose Jaw may be required to disclose the Bid Documents and a part or parts of any Bid in response to this tender pursuant to *The Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan).
37. Bidders are also advised that *The Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan) does provide protection for confidential and proprietary business information; however, proponents are strongly advised to consult their own legal advisors as to the appropriate way in which confidential or proprietary business information should be marked as such in their proposal in response to this tender.
