EVALUATION OF BIDS

19. In evaluating Bids, Moose Jaw expects to select the Qualified Bidder with the lowest Bid price for each of the products listed on the Bid Form. Accordingly, Moose Jaw may enter into contracts with multiple bidders following the conclusion of this tender. Since Moose Jaw's intention is to secure the Qualified Bidder with the lowest Bid price for each individual product which is subject of this tender, Moose Jaw may accept any Bid in whole or in part. By submitting a Bid, each Bidder acknowledges that its Bid is subject to full or partial acceptance by Moose Jaw.
20. The Owner will hold a private Bid opening on **June 23, 2022 at 1:00p.m. (Central Standard Time)**. The Bid opening will be held at:
- City of Moose Jaw 228 Main St. N. Moose Jaw, SK S6H 3J8**
21. The Owner will complete its evaluation of Bids privately to determine whether Bids are compliant with these Instructions to Bidders, and to determine which Bidder is the lowest Qualified Bidder.
22. The Owner will determine who is a Qualified Bidder in its sole discretion, taking into account the following evaluation criteria:
- (a) satisfaction of the specifications for the Goods identified in Schedule A;
 - (b) the Bidder's qualifications, experience and capacity to supply the goods and perform its obligations under a Contract with Moose Jaw;
 - (c) the completeness of a Bidder's Bid submission; and
 - (d) such other criteria as Moose Jaw considers relevant.
23. Moose Jaw will assess whether each Bidder is a Qualified Bidder primarily based on the information contained in each Bidder's Bid. In addition, in assessing the Bidder's qualifications, the Moose Jaw may have regard to the following:
- (a) clarifications and/or additional information that may be supplied pursuant to requests from the Moose Jaw;
 - (b) interviews and/or reference checks that may be conducted at Moose Jaw's discretion;
 - (c) previous experience of Moose Jaw in working with the Bidder; and
 - (d) information received from any source that Moose Jaw considers reliable.

24. In determining the lowest Bid price from among the Qualified Bidders, Moose Jaw expects to take into consideration all pricing information submitted with the Bids received, including any alternate pricing or pricing for optional components of the Goods.
25. The Owner may, in its sole discretion, request clarification from a Bidder during the evaluation process. In responding to a request for clarification, the Bidder may not revise, amend or otherwise alter its Bid.
26. The Owner intends to evaluate Bids in the manner and based on the criteria set forth in these Instructions to Bidders, and the lowest or any Bid will not necessarily be accepted.
27. The Owner may, in its sole discretion, retain for consideration Bids that are non-conforming because they fail to comply with these Instructions to Bidders with regard to content, form, submission process or any other matter. The Owner may waive any defects, informalities or irregularities in a Bid and accept a Bid which contains any such defects, irregularities or informalities.
28. The Owner may, in its sole discretion, between the opening of Bids and the award, if any, provide Bidders with an opportunity to correct any defects, informalities or irregularities in their Bid.

BID ACCEPTANCE

29. Bids must remain open for acceptance and be irrevocable for a period of 60 (sixty) calendar days after the Bid submission deadline.
30. Moose Jaw will notify the selected Bidder or Bidders in writing that its Bid has been accepted. Moose Jaw will then prepare a formal agreement (in the form set out in Schedule C – Form of Agreement) (the "Contract") for execution based on the selected Bid, and will deliver the Contract to the selected Bidder for execution. The selected Bidders will be obligated to execute the Contract within 3 working days after receipt of the Contract for execution. Failure to do so will result in the forfeiture of the selected Bidder's Bid Security (if applicable). Retaining the Bid Security in such cases shall not constitute waiver of any additional rights and remedies that Moose Jaw may have against the Bidder.
31. Moose Jaw intends to notify all unsuccessful Bidders, by e-mail, promptly after execution of the Contract. Unsuccessful Bidders may request a debriefing interview, to obtain feedback on their submission, within four weeks after receiving a notification letter.
32. If Bidders are required to provide security deposits with their Bids, the security deposits of unsuccessful Bidders will be returned as soon as possible after the selected Bidder executes the Contract. If no Contract is awarded, all security deposits will be returned. The security deposit of the successful Bidder will be returned after the Bidder has executed the Contract.
33. The successful Bidder and associated winning Bid will be public information. In following the Canadian Free Trade Agreement, the following information will be disclosed publicly as per the Owner's *Purchasing Policy*:
 - (a) a description of the goods or services procured;

- (b) the name and address of the procuring entity;
- (c) the name and address of the successful supplier;
- (d) the value of the successful Bid;
- (e) the date of award; and
- (f) if limited tendering was used, the conditions and circumstances described in Article 513 of the Canadian Free Trade Agreement that justified its use.

MISCELLANEOUS

34. If all qualified Bids (as determined by Moose Jaw in its sole discretion) exceed the amount that Moose Jaw has budgeted for this purchase or if Moose Jaw otherwise determines, at its sole discretion, that not entering into a Contract with any of the Bidders would be in its best interests, Moose Jaw may:
- (a) reject all Bids;
 - (b) cancel this tender;
 - (c) issue a new tender or commence another procurement process, based on the same or differing goods or other requirements; and/or
 - (d) enter into sole source negotiations with one or more qualified Bidders in order to obtain a lower price that is within Moose Jaw's budget.
35. The Bidder is expected to keep confidential all documents, data, information and other materials of Moose Jaw which are provided to or obtained or accessed by the Bidder in relation to this tender (which has not otherwise been made publicly available) and not make any public announcements or news releases regarding this tender or the selection of a Bidder, without the prior written approval of Moose Jaw.
36. Bidders are advised that as a city, Moose Jaw is subject to the provisions of *The Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan), which provides a right of access to information in records under the control of a city. Bidders are advised that Moose Jaw may be required to disclose the Bid Documents and a part or parts of any Bid in response to this tender pursuant to *The Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan).
37. Bidders are also advised that *The Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan) does provide protection for confidential and proprietary business information; however, proponents are strongly advised to consult their own legal advisors as to the appropriate way in which confidential or proprietary business information should be marked as such in their proposal in response to this tender. Bidders should identify any information in their proposals that they consider to be confidential or proprietary business information.

38. The Owner is not responsible for any costs incurred by the Bidders in preparing their Bid submission or otherwise in participating in this procurement.
39. The Bidder, by submitting a Bid, agrees that if Moose Jaw breaches any of the duties, responsibilities or obligations owed to the Bidder as a result of the Bidder's participation in this procurement process, Moose Jaw's maximum aggregate liability to the Bidder will be the reasonable costs actually incurred by the Bidder in preparing its Bid. The Bidder, by submitting the Bid, hereby waives any other claim, including, without limitation, any claim for any loss of profits, in the event the Bid is not selected by Moose Jaw.
40. This procurement is subject to Chapter 5 of the Canadian Free Trade Agreement and the New West Partnership Trade Agreement.
