Adopt a Flowerpot for Your Business

Help us make the downtown area notoriously beautiful!

There are 35 pre-planted flowerpots available for adoption in the downtown area. Flowerpots are to be placed in front of and watered by the businesses that adopt them. City of Moose Jaw will be dropping off the flowerpots at your locations this year. However, the businesses are required to pick the spots for flowerpots in advance and coordinate with the City of Moose Jaw staff during drop off

These flowerpots are made available at no cost on a first come, first serve basis.
